

M-PACT[®]

TAA
COMPLIANT

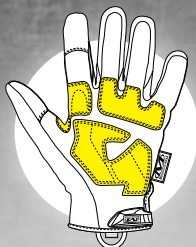

TACTICAL HAND PROTECTION

When you're in the business of serving the public and managing risk, the M-Pact[®] Glove will help you get the job done. This glove has consistently proven its superior ability to perform and protect. Features include: anatomically engineered direct sonic welded rubber top; EVA foam palm pads; tapered finger stretch side panels; a Spandex stretch panel thumb area, and wrap-around rubber molded wrist closure.

KNUCKLE GUARD

New molded rubber exoskeleton design adds flexible knuckle protection.

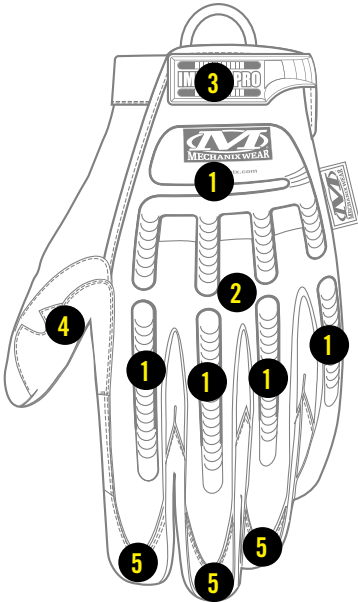

PADDED PALM

EVA foam palm padding reduces wear and increases protection.
